Shasta Public Libraries Presents

1000 BOOKS before kindergarten

Simple concept, priceless rewards.
Read books to your child (ages newborn to Pre-K).
The goal is to read 1000 books before your child
starts kindergarten.

What counts?

ANY book read to your child counts!
This means books read in any
language by anyone - including at pre-
school, during library story times, and
books on cd. Repeats of favorite
books can be counted as well!

How long does it take?

This is a self-paced program. It can
take a few months, or a few years. If
you read one book a day, the program
will take less than 3 years.

Getting Started

- Read any book to your child.
- Color in a book icon each time a book is read until the log is complete.
- Bring in your completed book log and your child will receive a bookmark and the next book log.
- After completing 10 logs (1000 books), your child gets to choose a book to keep.
